EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No.1: Shifting of Registered Office of the Company from Chandigarh, Union Territory to State of Punjab.

The Registered Office of the Company is presently situated in Chandigarh at 'SCO-183, First Floor, Sector 26, Madhya Marg (East), Chandigarh-160019'. It is proposed to shift the Registered Office of the Company to State of Punjab in the District of SAS Nagar for ease of administration and to enable the company to handle its business activities more efficiently and run its business more economically, effectively and conveniently. The shifting of the Registered Office as aforesaid would in no way be detrimental to the interest of any member of the public, employees, shareholders and associates of the Company in any manner.

The Board of Directors in their meeting held on 25th April,

2017 have approved the shifting of the Registered Office from 'SCO-183, First Floor, Sector 26, Madhya Marg (East), Chandigarh-160019' to 'Agro Division manufacturing site at Milestone 18, Ambala Kalka Road, P.O Bhankharpur, Dist. SAS Nagar, Mohali (Punjab)- 140201'.

Pursuant to the provisions of Section 12, 13 and 110 of the Companies Act, 2013 and the Rules thereunder, shifting of Registered Office of the Company from one State to another and consequent alteration to the Memorandum of Association of the Company requires approval of the Members by way of Special Resolution, which would be subject to the approval of the Regional Director or Central Government. Further, pursuant to the provisions of Section 110 of the Companies Act, 2013 read with Rule 20 and Rule 22 of the Companies (Management and

Administration) Rules, 2014, the Special Resolution of shifting of Registered Office of a listed Company from one state to another is required to be passed by way of Postal Ballot.

Subsequent to the approval of the members, the requisite application will be made to the concerned statutory authorities including *inter-alia* Regional Director / Central Government / Ministry of Corporate Affairs for the permission/approval of the change of the place of the Registered Office.

All documents referred to in the Notice and Explanatory Statement are open for inspection. The copy of the Memorandum of Association and Articles of Association of the Company as on date along with the proposed amendments and the list of creditors will be open for inspection at the present Registered Office of the Company on all working days (Monday to Friday) between 11:00 A.M. to 1:00 P.M. up to Friday, the 2nd June, 2017 (i.e. the last date for receiving Postal Ballot forms by Scrutinizer).

Your board of directors recommend passing of resolution set out in Item No. 1 as Special Resolution.

None of the Directors, Key Managerial Personnel of the Company, or their relatives are in any way concerned or interested, financially or otherwise in this resolution, except as Members to the extent of their shareholding in the Company.

Item No.2: Divestment of shareholding in STS Chemicals (UK) Limited, a Wholly Owned Subsidiary of the Company including Sintesis Quimica, S.A.I.C, Argentina, its step-down subsidiary.

Sintesis Quimica, S.A.I.C, Argentina ("**SQ**") is a step down subsidiary of the Company. SQ was earlier a subsidiary of SD Agchem (Europe) NV, Belgium ("**SD Agchem**"), which is a wholly owned subsidiary ("**WOS**") of the Company. SQ suffered huge losses in operations since past many years and its inability to pay off its liabilities even after reorganization of its debt under Chapter 11 of the United States' Bankruptcy Code with the concerned court in a term and form established under the Argentinean Law #24422 of Reorganization and Bankruptcy Law.

One buyer(not being a related party) has expressed its interest in acquiring SQ. However, due to legal constraints in Argentina, the prospective buyer cannot purchase SQ directly. As per Argentinean law, the potential buyer had to either register itself in Argentina, which is a complicated process or it can acquire SQ through any other company already registered in Argentina. STS Chemicals (UK) Limited

(" **STS**"), another WOS of the Company is already registered in Argentina.

For this purpose, SD Agchem, which held 97.842% in SQ recently transferred its entire holding (less one share) to STS. Upon such transfer, STS now holds 99.9995% shareholding in SQ, while SD Agchem continues to hold one share.

After thorough deliberation and based on legal advice:

- i) In the first phase, 97.8415% shareholding of SQ held by SD Agchem has been transferred to STS at Euro 1, making STS a 99.9995% shareholder of SQ. In order to comply with Argentinean law of having minimum of two shareholders in a private company, SD Agchem will file a declaration with STS confirming that SD Agchem continues to hold 1 share of SQ, for and on behalf of STS.
- ii) In the second phase, the Company will sell its entire shareholding in STS (which now holds 99.9995% shareholding in SQ) to the prospective buyer, and for that purpose, the Company will enter into suitable agreement for sale containing terms usual and customary to transactions of such nature (including, without limitation, warranties, indemnification, escrow and such other terms mutually agreed between the Company and the prospective buyer). Upon consummation of the proposed transaction, STS will cease to be a WOS of the Company.

The brief about the business profile of STS and SQ is hereunder:

- a) STS is engaged in researching the markets and trends in the agro-chemicals, pharmaceutical and fine chemicals and to create awareness in research and development in modern chemistry for the novel compounds, and promote the registration and sale of various products in European markets. It is a dormant company having no operations at all since many years.
- b) SQ has two manufacturing facilities in the outskirts of Buenos Aires and is engaged in Agrochemicals, Agro Biological, Fungicides, Wood preservatives and formulations of agro chemical business. After acquisition of SQ in 2006, the Company registered a turnover of Rs.168 crores on standalone basis in the financial year 2007-08 as compared to Rs.142 crores in the financial year 2006-07. During the financial year 2008-09, SQ increased its presence in the local and international Biological market and introduced new insecticides in Soyabean cultivation.

However, the increasing profitability trend in the step down subsidiary started dipping from the financial year 2009-10. During part of the financial year 2009-10, due to international crisis, the export of inoculants to US was significantly less. The drought in Argentina reduced the cultivated area of wheat, corn and sunflower, thereby affecting the sales. Further, due to increase in wages and other related expenses, high inflation rate, increase in interest rate up to 30% p.a., devaluation of Argentine Peso against USD and worst draught situation in last 50 years which contributed to lower agro sales and reduction of further margin, SQ could not perform as per the plans. Further, since

February, 2012 onwards, the local government had put serious restrictions on imports and only emergency imports were allowed to be made with the approval of the Government.

In view of losses suffered consecutively over past few years; the cash flows of SQ were adversely affected, and it could not service the debt of its lenders as well as of creditors. Thus, SQ filed a reference for reorganization of its debt under Chapter 11 of the United States' Bankruptcy Code with the concerned court in a term and form established under the Argentinean Law #24422 of Reorganization and Bankruptcy Law effective as of June 1, 2012.

The financial position of SQ for the last few years was as follows:

Notes:

- 1) The balance sheet items are stated at currency rate and revenue items are stated at average currency rates.
- 2) The change in capital has been on account of currency fluctuation, as shown in Sr. No. 1 of the table.
- 3) During the year 2014-15, the profit is on account of positive effects of reorganization of debts under Chapter 11 of US Bankruptcy Code.
- 4) During the year 2015-16, SQ revalued its land and building by Rs.54 crores which along with other reserves has resulted in positive net-worth of SQ. The loss is more due to tax interest & penalties and exchange rate differences of reorganization proceedings.

SQ continued to suffer from non-availability of financial support as well as lack of working capital. Non-availability of credit from suppliers is a big handicap for normal production as material cannot be arranged on time and at reasonable cost. This has resulted into losses in operations and non-achievement of targets. The Company had to resort to working capital finance at a very high cost to sustain the operations and keep the Company afloat. The availability of working capital from the banks and other sources have become restricted.

As per the indication and the existing working, SQ requires a substantial amount of working capital. The best of the available efforts put in by the local management have not been able to get results in absence of the required working capital. Moreover, it

looks difficult to meet the commitment of repayment of debts under the reorganization scheme.

The Company, however, on account of limited availability of funds including working capital, cannot make additional investment in SQ.

Considering all the above developments, the Board of Directors of your Company in their meeting held on 25th April, 2017 has approved the proposed transfer of STS and SQ.

Further, Regulation 24(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure

Requirements) Regulation, 2015 provides that no company shall dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than 50% or cease the exercise of control over the subsidiary without passing a special resolution in general meeting, except in certain specified cases. SQ being a material subsidiary of the Company, in terms of the Company's Policy on Material Subsidiary, as it contributed 31.55 % of the consolidated revenue of the Company in the last financial year ending on 31st March, 2016, it would be required to seek approval of the shareholders of the Company for divesting from SQ completely.

Further, pursuant to the provisions of Section 110 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Special Resolution for sale of whole or substantially the whole of its undertaking of a company is required to be passed by way of Postal Ballot.

In view of the aforesaid, your Directors recommend the said special resolution for your approval, as they feel the same to be in the interest of the Company.

The documents related to the working of STS and SQ will be open for inspection at the present Registered Office of the Company on all working days (Monday to Friday) between 11:00 A.M. to 1:00 P.M. up to Friday, the 2nd June, 2017 (i.e. the last date for receiving Postal Ballot forms by Scrutinizer).
