Punjab Chemicals to Commercialize New Products for Export Market

Investor Release

Derabassi, Chandigarh, Punjab, 28th July 2025 – Punjab Chemicals and Crop Protection Ltd. (BSE: 506618; NSE: PUNJABCHEM), a leading Indian manufacturer and global supplier of agrochemicals and specialty chemicals is pleased to announce signing of 3 exclusive MOUs with overseas customers for high value agrochemical products & Intermediates. The Company plans to commercialise these products over next 12-18 months.

Company has planned strategic investment of approx. **Rs. 60 crore** at its existing site to build two new manufacturing blocks. This expansion aims to cater to increased demand of existing products, new product pipeline and commercialize new products catering to the Japanese and European markets. Company already has environmental approval in place for this expansion.

This strategic initiative will unfold over the next two years and is expected to significantly bolster the company's top line. Punjab Chemicals envisions sales from this segment scaling up to approximately **Rs. 120 - 150 crore over the next two to three years.**

In addition to this development, the company is actively scouting for a new site to support its growing operations and product pipeline. A formal announcement regarding the new site will be notified in the due course of time.

Commenting on the development Mr. Shalil Shroff, Management Director said-

"We are happy to see success of our product development, R & D and market access efforts. Our commitment to quality, IP and delivery is attracting lot of new customers and I believe this is just beginning of new exciting phase in our journey towards growth and excellence.

About Punjab Chemicals and Crop Protection Ltd.:

Founded in 1975, Punjab Chemicals has evolved into a leading manufacturer of agrochemicals, speciality chemicals and industrial chemicals. The Company operates multiple state-of-the-art manufacturing facilities across India, including two in Punjab (Derabassi and Lalru) and one in Maharashtra (Pune). All the facilities are ISO certified and supported by robust R&D capabilities. Over the years, the Company has fortified its position as a preferred CRAMS (Contract Research and Manufacturing Services) provider for domestic and international agrochemical companies. It's dedicated R&D team supports innovation and product excellence, particularly in agrochemicals and performance chemicals. Punjab Chemicals remains focused on delivering world-class products while upholding its commitment to environmental sustainability and social responsibility.
